## DO YOU KNOW?

1. According to the Jewish calendar, that counts the 6th creation day when Adam was formed as its first day, this year 2025 is the 5785th year from the creation of the world.

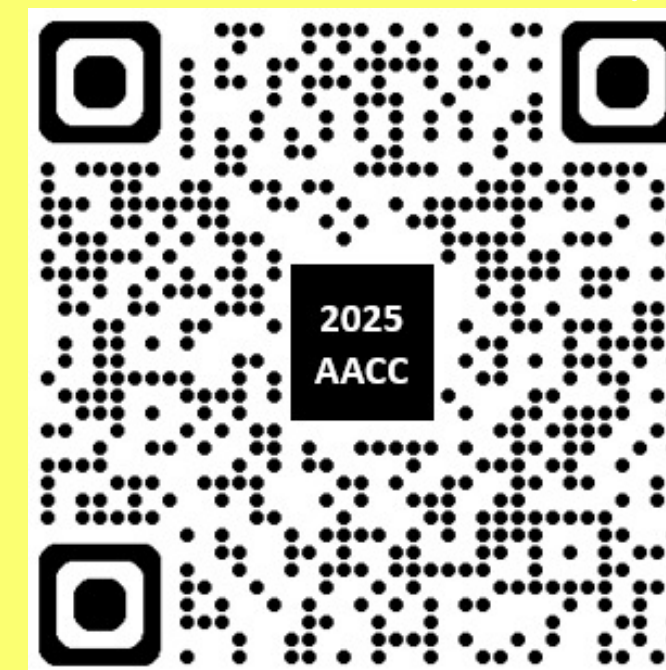

.....and much more on website.

Augustine (AD354-430)  
in "City of God" Chp 10:  
Of the Falseness of the History Which  
Allots Many Thousand Years to the World's  
Past:

"Those who hold such opinions are also led astray by some utterly spurious documents which, they say, give a historical record of many thousand years, whereas we reckon, from the evidence of the holy Scriptures, that fewer than 6,000 years have passed since man's first origin."
