

### **Donations and Sponsorship**

All Asian Creation Association (AACA) is a network of para-church organisations that are largely funded by donations from their supporters. As Singapore is a relatively expensive venue to host its biennial conference, we seek your gracious support (donations and sponsorships) to enable and bless speakers and participants from Asia and other parts of the world to come together in Singapore to learn and interact with each other.

### **Conference 2025 (22-23 Aug): Teaching Genesis 1-11 – History and Science**

Scientists, pastors and scholars (from mostly Asia and Oceanian countries) will share their latest work on the conference theme to create awareness and equip participants to teach 6-day creation, young earth, and Noah's global flood as history that is supported by historical and scientific evidence.

You or your organisation may support this conference by donating any amount. There will be no tax-deduction for your donation but we will show our appreciation by providing complimentary tickets (including meals) to the conference (see below). **We have set aside limited number of complimentary tickets, so please donate early or before 22<sup>nd</sup> July.**
